Upholstery Information

Standard Plural Studios Upholstery

Standard Plural Upholstery offers a range of materials, from fabrics in a variety of colors and textures to vinyls for soil resistance. Please refer to Plural's Graded-In Materials list in the Price Guide, or the Resources section of our web site for reference information.

Graded-In Upholstery

Plural has coordinated with upholstery manufacturers to simplify your order process. Our graded-in offerings have been pre-approved for application on Plural furniture.

Customer's Own Material

Customer's Own Materials (COM's) are welcome at Plural. Many COM's are pre-approved for application on Plural furniture. Plural handles the ordering and tracking of your selected COM.

Email customerservice@pluralstudios.com with your COM selection to determine if it has been pre-approved. If your selection has not been pre-approved, reference the "Receiving COM Approval" section below.

Receiving COM Approval

If your COM choice is not pre-approved, a 12" x 12" memo sample must be supplied for approval before a COM material is accepted for an order. If the material is directional in pattern or weave, the pattern repeat (in inches) in both directions or the weave direction must be supplied.

Excess COM

Plural will not store excess COM for more than 30 days after the order has been completed. If excess material is to be returned after order completion, send the request to Plural Customer Service prior to acknowledge ship date. It is the customer's responsibility to arrange for the return of the material "freight collect."

COM Requiring Application Test

If an application test is required for your selected COM, send test sample material to:

Plural Studios - COM Dept.
4385 N, 75th St., Ste. 201
Scottsdale, AZ 85251-5339

Please include the following:

1. Name and return address
2. Furniture model selected
3. Sketch showing special requirements for the positioning of the material's pattern on the chair seat and chair back, if special considerations are required.

NOTE: All textiles are upholstered railroaded to maximize yield and wear performance. Please let us know if you prefer an up-the-roll application and we will provide a quote.

Purchase orders need to specify the product name, quantity, dimensions, materials and finishes as well as pricing. Purchase order must include customer contact information including company name, telephone number, contact person, Bill To information, and complete Ship To information with receiving contact name and phone number.

Textiles and Leather

Textiles: Requirements are based on 54" wide plain material. Textiles varying from these dimensions may require a change in yardage requirements.

Leather: Quantity requirements are based on hides averaging 50–55 square feet. Per industry standard, one yard of textile is equal to 18 square feet of leather.

COM: In addition to our graded-in textile offering, you may specify your choice of fabric by manufacturer, pattern name, number and color, and we will handle the rest. Your specified textile will be added into a quote with the correct yardage. At the time of order, Plural will order the textile, track the textile shipment, receive, and inspect it. Any textile issues will be managed by Plural and communicated to you.

Textile Requirements

Yardage requirement online and in the Price List is based on 54" W solid goods. For textiles with patterns, refer to the information below.

Terms & Conditions of Sale

Your acknowledgment is a detailed description of items, prices, shipping information and shipping date. Review the acknowledgment and notify Plural immediately with any discrepancies in the acknowledgment.

Prices

Except where noted, all prices are List. Prices are F.O.B. factory and are subject to change without notice. Pricing does not include freight, installation, taxes, tariffs, or storage. Plural reserves the right to change prices and specifications without notice.

Payment Terms

Standard terms are a 50% deposit with the balance due prior to shipment. Accounts with approved credit can be given terms of 50% deposit with balance of NET 30 days. All accounts are subject to the customer's credit limit. Any account exceeding Plural's normal payment terms will be assessed a service charge of 1.5% per month, accrued monthly.

Cancellation and Order Changes

All purchase orders accepted by Plural are considered firm and binding and are not subject to cancellation. Requests for order changes must be made in writing. Plural reserves the right to not accept the requested changes. Plural may accept a change order after first establishing the time and costs to do so, including labor, materials, additional freight, and administrative costs.

Delivery

Plural is not responsible for failures of delivery when those failure are caused by matters beyond Plural's reasonable control. Beyond Plural's reasonable control include, but are not limited to, war, terrorism, pandemics, labor disputes, supply chains for raw materials, supplies, transportation, fire, acts of God and nature, societal unrest, and acts of government.

Storage

Plural has no storage capacity for completed orders. No shipment can be postponed by the customer. If a customer cannot accept delivery of goods when ready for shipment, Plural does not have an ability to assist, and the finished products should not be placed in an environment where temperature and humidity are not controlled.

Plural's Warranty is invalidated with such conditions. Proper parameter for storage conditions resemble those standards for people: a temperature range of 50–80 F and humidity held to between 25–40%.

If Plural arranges transportation to a storage facility, such transfer to the storage facility shall be deemed delivery to the customer and an invoice shall be issued at that time. All costs associated with the delivery, including rental for storage and the risks of damage and loss involved, are the responsibility of the customer.

Freight Damage

The buyer must inspect all carton and products for visible or concealed damage at the time of delivery. In the event of visible freight damage, the buyer must note it on the Bill of Lading and immediately contact Plural. If there is any damage, document and photograph the damage thoroughly including the outside of the box and its contents. Expedite your claim by sending your documentation to Plural. Plural is responsible to file all freight claims.

If concealed damage is discovered notify Plural Customer Service within five (5) calendar days of delivery. All shipping cartons and inner packing must be retained for inspection.

It is the buyer's responsibility to confirm that quantities received match the Bill of Lading at the time of delivery.

Repair Charges

Reimbursement from Plural for repairs must have prior approval.

Terms & Conditions of Sale

Textiles

Certain textiles have content that make them susceptible to puddling and wrinkling, which Plural cannot control. Heat, weather, and humidity can affect textiles, and Plural will not assume responsibility for those occurrences.

Plural will apply textiles to upholstered items in a manner which we determine to be most attractive, and will take no responsibility for the direction in which textiles are applied unless the desired direction is noted in the customer's purchase order.

Directional textiles (plaids, stripes, certain patterns) may require additional consideration due to sewing patterns, tufting, and contoured shapes for particular furniture models. If pattern matching is desired, it must be noted on the customer's purchase order and will incur a 5% upcharge.

Plural offers an extensive range of graded-in textile, Crypton, vinyl, polyurethane, silicone, and leather from the textile industry's leading sources. In addition to our graded-in collection, Plural will grade-in your choice of other textiles upon our approval of that textile for the intended furniture model. Approval of the textile for application does not constitute responsibility for the appearance, performance or wear of the textile. Plural will include the textile into a quote with the correct yardage, and will order, track, and receive the textile. Any textile issues are handled by Plural and communicated to the customer.

Yardage Requirements

Yardage requirements shown in our price list are based on 54" wide rolls of solid, non-directional fabric. For textiles with repeats, combine the total inches of the pattern and use the chart below. Example: if the pattern repeat is 12"W x 11"H, 20% additional yardage is required.

5-14" repeat	add 10% more yardage
--------------	----------------------

15-19" repeat	add 15% more yardage
---------------	----------------------

20-27" repeat	add 20% more yardage
---------------	----------------------

28-36" repeat	add 25% more yardage
