

Rochester Settee

KT725-4-ML-SS
Solid Surface Arm Caps

KT725-4-ML

Rochester, by Brian Graham, integrates form and function in a timeless seating series that includes a lounge chair, settee, sofa, and elegant sleeper sofa. Optional solid surface arm top caps, subtly integrated clean-out space, and field-replaceable upholstery allow Rochester to gracefully transition from corporate spaces to high-use public and healing environments for multiple life cycles.

Features

- Replaceable Upholstery
- Moisture Barrier

Options

- Optional Multiple Textile Placement
- Choice of Metal Powdercoat Color
